Subject

The MP RFID Antenna/Media Guard Field Kit no longer Available for SL5000r and SL5000e.

SL5e/SL5r Affected Parts:

The Antenna/Media Guard for MP printers has been discontinued. (Part # 178472-001)

If this part needs to be replaced you will need to use the MP-2 Antenna/Media Guard. (Part # 251014-001). This part is only used for the four inch printers.

The SL5X06r has always been a MP-2 style printer and only uses the MP-2 Antenna/Media Guard. (Part # 251013-001)

Note:

The MP-2 Antenna/Media Guard has four different color coded antenna positions. When placing this part in a SL5XX4e MP or SL5XX4r MP printer, make sure the antenna is in the Orange Position. This will insure proper function.
